

## CrowdStrike Emerges as a Leader in Cybersecurity Channel Sales Growth According to Independent Channel Analyst Firm Canalis

*Report also identifies CrowdStrike as the channel leader in endpoint market share*

AUSTIN, Texas--(BUSINESS WIRE)--Nov. 8, 2023-- [CrowdStrike](#) (Nasdaq: CRWD) has been named a growth leader among cybersecurity companies selling through the channel, according to [a report released by Canalis](#), an independent analyst firm. CrowdStrike surpassed the 12 cybersecurity vendors identified in the report, with a year-on-year percentage growth rate of 39.1 for overall channel sales.

"Cybersecurity makes up about \$80 billion today in software and hardware. Partners earn \$2 in services for every \$1 of software and hardware that is sold in cybersecurity today. Out of every category and sub-category, channel services are growing faster over the next 4-5 years. CrowdStrike is outgrowing the overall cybersecurity market," said Jay McBain, Chief Analyst at Canalis. "It has established itself as one of the fastest growing cybersecurity companies in the channel over the last 5-6 years."

According to Canalis, channel sales account for 91.5 percent of all cybersecurity technology spending with resellers, system integrators and MSSP partners comprising 92 percent of the endpoint security channel market.

The research also recognizes CrowdStrike as the worldwide leader in endpoint security sales, with an 18.5 percent market share in Q2 2023. Canalis attributes CrowdStrike's ability to deliver growth at significant scale to its channel-led business model, with recent highlights including CrowdStrike's new [Accelerate Partner Program](#), [Falcon Complete for Service Providers](#), [CrowdStrike Marketplace](#), and its [CrowdCredit reward program](#).

CrowdStrike has also recently been honored with [CRN's Partner of the Year](#) and [AWS's 2023 ISV Partner of the Year](#) awards.

"CrowdStrike puts partners in the driver's seat to help businesses of all sizes stop breaches. Our AI-native platform, mission-driven team, and industry-leading partner program is tuned to deliver long term customer success," said Daniel Bernard, chief business officer at CrowdStrike. "As the world faced macro challenges, we doubled down on our partners, investing in their futures with entertaining education, value selling tools, and disruptive go-to-market programs. Canalis' research illustrates the return on our investments and the efficacy of our partner-first strategy. I couldn't be more proud of our partners - and the growth they're experiencing - by leading with CrowdStrike as cybersecurity's platform consolidator of choice."

### About CrowdStrike

[CrowdStrike](#) (Nasdaq: CRWD), a global cybersecurity leader, has redefined modern security with the world's most advanced cloud-native platform for protecting critical areas of enterprise risk – endpoints and cloud workloads, identity and data. Powered by the CrowdStrike Security Cloud and world-class AI, the CrowdStrike Falcon® platform leverages real-time indicators of attack, threat intelligence, evolving adversary tradecraft and enriched telemetry from across the enterprise to deliver hyper-accurate detections, automated protection and remediation, elite threat hunting and prioritized observability of vulnerabilities. Purpose-built in the cloud with a single lightweight-agent architecture, the Falcon platform delivers rapid and scalable deployment, superior protection and performance, reduced complexity and immediate time-to-value.
