

# CrowdStrike Recognizes 2025 Partner Award Winners at Asia Pacific and Japan Partner Symposium

March 11, 2025

AUSTIN, Texas & TAIPEI, Taiwan--(BUSINESS WIRE)--Mar. 11, 2025-- **APJ Partner Symposium – CrowdStrike** (NASDAQ: CRWD) today announced the winners of the annual CrowdStrike Asia Pacific and Japan (APJ) Partner Awards at its 2025 APJ Partner Symposium in Taipei. The APJ Partner Symposium unites CrowdStrike's ecosystem, bringing together leading channel and distributor, service provider and technology alliance partners across the region. The exclusive, invite-only meeting covers content, training and updates to accelerate partners' growing and scaling their CrowdStrike businesses, helping customers consolidate their security spend and stop breaches with the industry-leading [CrowdStrike Falcon® cybersecurity platform](#).

CrowdStrike's APJ Partner Awards recognize the incredible impact and effort that partners throughout the region have accomplished in the previous year. With a partner-first go-to-market strategy, the power of CrowdStrike's partner ecosystem is critical to transforming cybersecurity for leading organizations in APJ and around the world, consolidating point products and driving customer adoption of the world's most advanced AI-native cybersecurity platform. Award winners were selected based on criteria that encompassed the value the organization or individual created and delivered to both mutual customers and CrowdStrike.

"CrowdStrike's APJ Partner Symposium is an opportunity for us to recognize the exceptional business achievements and extensive relationships we have with our partners. I congratulate all of our 2025 APJ award winners for accelerating their growth with CrowdStrike and delivering superior customer outcomes," said Jon Fox, VP of Channels, APJ at CrowdStrike. "Our partner ecosystem understands and delivers the immense value that CrowdStrike's AI-native Falcon platform provides to organizations.

We look forward to working with all our partners in the year ahead to help customers consolidate cybersecurity at scale while stopping breaches.”

## **About CrowdStrike**

[CrowdStrike](#) (NASDAQ: CRWD), a global cybersecurity leader, has redefined modern security with the world’s most advanced cloud-native platform for protecting critical areas of enterprise risk – endpoints and cloud workloads, identity and data.

Powered by the CrowdStrike Security Cloud and world-class AI, the CrowdStrike Falcon® platform leverages real-time indicators of attack, threat intelligence, evolving adversary tradecraft and enriched telemetry from across the enterprise to deliver hyper-accurate detections, automated protection and remediation, elite threat hunting and prioritized observability of vulnerabilities.

Purpose-built in the cloud with a single lightweight-agent architecture, the Falcon platform delivers rapid and scalable deployment, superior protection and performance, reduced complexity and immediate time-to-value.

CrowdStrike: We stop breaches.
